Subject: Fwd: No District Contact Info - what happened to phone numbers?

Hi Nicole and Lorraine,

The District Website does not list phone numbers in the staff directory (http://www.nrsd.net/staff_directory). Please see email I sent last week regarding this omission.

Thanks,

Kathy O'Keefe

Each person was to edit their own profile. It will be rectified ASAP. I am also looking to place a full page District Directory on the site.

Thank you for using our site.

Hi Michael,

I went to look for a phone number for Extended Learning and am unable to find a District Contact list. I believe this should be listed under District.

I looked under staff directory and it only lists the email link. only email addresses are listed. There's no phone number for extended learning, no phone number for SpEd, no phone number to call you.
