

2015-16 Policy Sub-committee Overarching Goals

In addition to the regular work the committee does with Superintendent to ensure district oversights are in place to support student achievement and district improvement goals, the 2015/16 Policy Sub-committee will have the following overarching goals:

1. Review/create and present policy to the School Committee as it relates to the NRSD website's useability for all end users (students, staff, parents, community.)
Owner: Kathy Codianne
2. Review/update/present to the School Committee as needed, NRSD Communication Policies to ensure all stake holders in the NRSD are able to access and understand policies and events at the district.
Owner: Nicole Odekirk
3. Review/update/create digital learning policies to encompass all schools across the district and address the NEASC report on both the 21st Century Classroom and ICARE initiatives.
Owner: Neal Darcy
4. Review/update/present to the School Committee as needed, district Financial Policies to ensure appropriate oversights are in place.
