

FUND RAISING

The intent of the policy is to coordinate fund raising in the buildings, ensure that it has an appropriate purpose, and ensure the safety of students.

In order to ensure coordination, to avoid confusion, and to prevent duplication of fund raising efforts, the Superintendent or his/her designee will establish standard procedures for the preparation of fund raising proposals and their review.

- There shall be no fund raising by students unless approved by the appropriate building principals;
 - the building principals shall monitor the number and type of fund raising activities and assure that activities are appropriate and necessary; in collaboration with groups such as PTO, etc; and
 - ~~no door-to-door solicitation by students will be permitted unless accompanied by an adult.~~
 - Appropriate town bylaws must be followed.
