The background features a large, faint watermark of a school crest or logo. The crest is light green and includes a shield with a cross, a banner, and other heraldic elements. It is positioned behind the main text.

# **School Committee Presentation Title**

# Key Question(s)

What is the core issue (problem) to be addressed?

How does it relate to our district goals or student achievement?

# Brief Background/Overview

What are our current practices?

What is working?

What are the challenges?

What data is being used to show this?

Are there deadlines?

# Recommendations

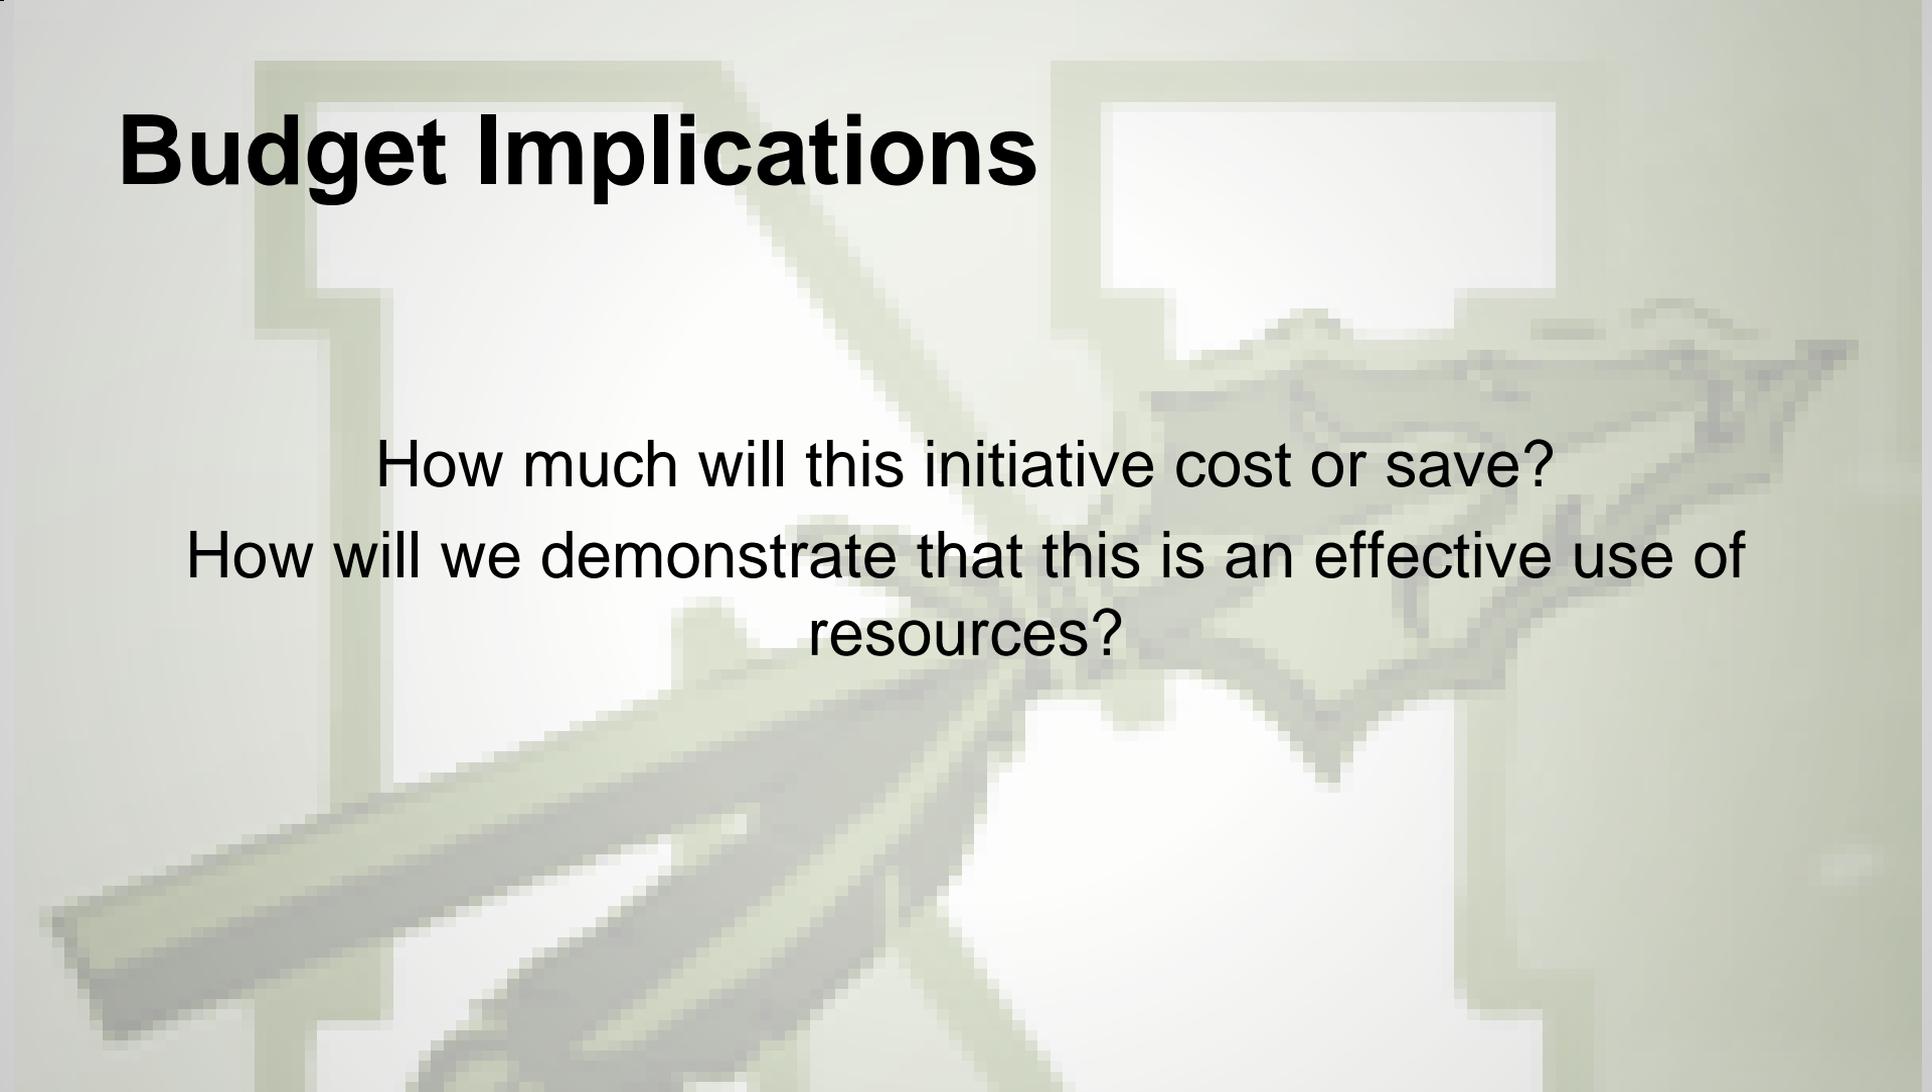

What changes are being proposed?

What alternatives are there?

Who will be involved?

What is the timeline?

# Budget Implications

How much will this initiative cost or save?

How will we demonstrate that this is an effective use of resources?

# Statement of Impact

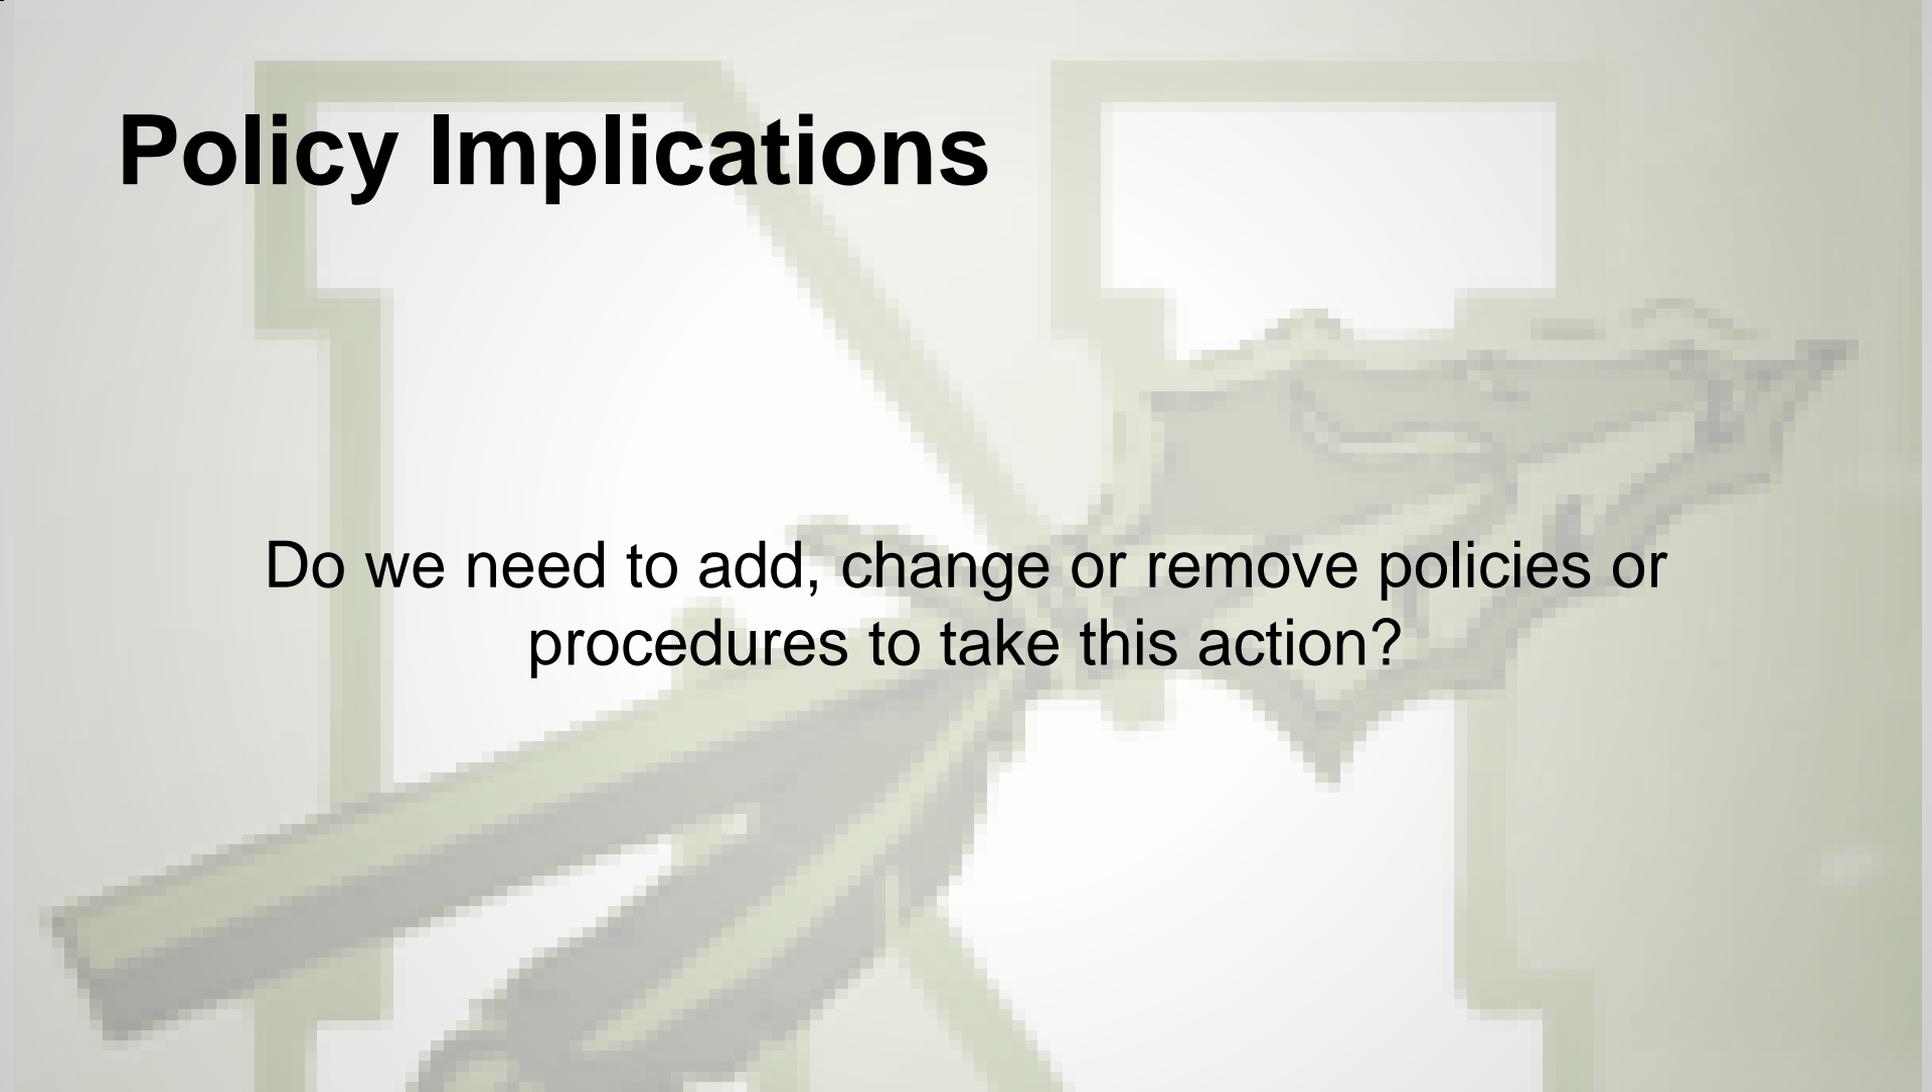

How will this initiative improve student achievement/student engagement?

How will it impact our Climate? Culture?

How will it help us achieve our goals?

How will we measure impact?

# Policy Implications

Do we need to add, change or remove policies or procedures to take this action?
