## **Superintendent's Report to the NRSD School Committee** **June 15, 2023**

### **Announcements:**

#### **AVC Update #4:**

Included in your meeting materials is the fourth update from the Assabet Valley Collaborative. Included in the report are highlights and challenges as well as priorities for next year. Please see the materials provided for details.

#### **School Choice Update:**

To date, the school district has accepted sixteen school choice applications and all applications have indicated intent to enroll. We conducted one lottery due to having four applications for one open position. One of the applicants has withdrawn their application, two applications were placed on a waitlist, and one application was accepted. Due to enrollment at NRHS being 201 students to date, it is my recommendation that a total of four school choice seats be opened for the 9th grade. This will allow us to accept the two students on the waitlist and it stays within the parameters presented at the school choice hearing.

#### **Recommendation to Appoint Interim Pupil Personnel Services Director**

It is my recommendation that the Nashoba Regional School Committee appoint Ms. Yumei Yau as the Interim Pupil Personnel Services Director for the 2023-2024 school year. Ms. Yao is currently the Director of Student Support Services in the Quaboag Regional School District. In your meeting materials are the resume and letter of interest provided by Ms. Yao.
